MEMORANDUM FOR THE FILE

E-X-T-R-A-C-T

"2. For the University Associates, Col. White plans to speak for one hour, generally on the study we made of CIA relations with universities. Mr. Echols thinks this is a good idea. Mr. Echols is also going to suggest something that Mr. Helms might talk about for 10-15 minutes.

"6. Mr. Helms has said that he will not only nominate Jack Smith for the National Civil Service League Award, but that he wants to be sure that Mr. Smith wins. This obviously presents a lot of problems. However, I have asked Emmett Echols to see if he can learn about the procedures and how the decisions are influenced. I understand that Mr. Helms would be willing to speak to someone about Mr. Smith if he knew to whom to speak. Emmett is also looking into the time element, i.e., when the decisions are made, etc."
